
SECTION: CERTIFICATION**SUBJECT: Specific Requirements for Certification****ITEM: *Proof of Identity***

Policy Local agencies shall require each applicant/participant/parent/proxy/alternate to provide proof of identity prior to initial certification and at each subsequent appointment. The local agency may accept the WIC Authorization Folder (WAF) as proof of identity (ID) for participants at subsequent certifications and appointments, once initial proof of identity has been established. If the applicant/participant/parent/proxy/alternate cannot present proper or acceptable identification as prescribed below, the local agency shall not certify, issue a WAF, or issue food instruments to the applicant/participant/parent/proxy/alternate **except** for persons who are victims of disaster, migrants, or homeless.

Basis for policy 7 CFR 246.7 (1)(2)
WRO Policy Memo 803-AI

Proof of identity The local agency shall require proof of ID from each applicant and parent at initial certification, and from a proxy/alternate at each appointment. Local agencies are strongly encouraged to first request photo ID from the person as the optimal form of ID. If the person cannot provide a photo ID, then other forms of ID may be accepted according to local agency protocol.

The following items containing the name of the person presenting it may be accepted as documentation of identity:

1. Photo ID (Drivers license/DMV issued ID, work, school/student body, military, passport, or bus pass ID card),
 2. Infant hospital records (crib card, hospital band, or discharge papers),
 3. Health, Medi-Cal, HMO, or county services access card,
 4. Social security card,
 5. Birth certificate or hospital birth verification,
 6. Immigration papers,
 7. Marriage license or baptismal certificate,
 8. Signed self declaration statement (migrant, homeless, or victim of disaster), and
 9. Other:
 - Foster child placement letter/notice,
 - Check cashing, credit or bank ATM card,
-

**Proof of
Identity
(cont.)**

- Court orders (divorce, child support, alimony, or adoption),
- Immunization record,
- Voter registration receipt,
- Paycheck/stub,
- Blank check with applicant name pre-printed on it,
- Medi-Cal, Food Stamp, or TANF letter,
- Supplemental Security Income (SSI) letter,
- Unemployment documents,
- Housing lease or rent receipt,
- Loan papers from bank/finance company etc.,
- Property tax receipt,
- Medical records,
- Student body card (without photo),
- Library card, and
- Any other document deemed acceptable by the local agency.

Note: It is the responsibility of each local agency staff person to question and if necessary ask for another form of ID whenever she/he is uncomfortable with the validity of an item presented as proof of identity.

**Proof of
identity
(subsequent
certification)**

The local agency may accept the WAF as the participant's proof of ID at subsequent certifications and appointments, once initial proof of ID has been established.

**Self
declaration**

Local agencies shall not accept self declaration of ID **except** from persons who are victims of disaster or who are migrants or homeless. In such instances the person must sign a statement attesting to his/her ID. The local agency must keep the statement on file in the local agency records. See the definitions of migrant and homeless in WPM 210-30.

Note: A simple handwritten note signed and dated by the applicant/participant/parent is sufficient.

ISIS record

Local agency staff shall record the type of document viewed as proof of ID in the Integrated Statewide Information System (ISIS) Certify Individual screen, or in any other data field designated for this purpose. When a signed statement (self declaration) is used as proof of ID, a brief notation shall also be recorded in ISIS Comments explaining why the applicant/participant/parent could not produce proof of ID.
